DataConcept

15.0" - 16.4"

Separable „3 in 1“carry case for 15”-16.4”notebooks, printer and documents

The separable “3 in 1” carry case is the perfect companion for the safe transport of your 15” – 16.4” notebook, printer, documents and further mobile equipment. The extremely robust and especially effective cushioning made of HDF (High-Density Foam) material in combination with the reinforced frame and a notebook strap surrounds the Notebook on all sides and provides perfect protection. Printers are perfectly fastened with optionally available DICOTA ABS printer inlays for HP DJ 460, HP Officejet H470 and Canon series i80/iP90 and iP100 (other printers on request). The well-designed pockets on the inside of both cases feature perfect space usage and offer room for further mobile equipment. Power supply units can be stashed in the separate cable bag as well as in the newly designed front pocket. Further storage room is featured by the attached front compartment with holders for pens, cell phone and business cards. The soft handle ensures comfortable transportation and the padded shoulder strap as well as the trolley belt keep your hands free. DataConcept for Notebook, printer and documents is manufactured from high-quality Nylon.
